There are so many lovely coffee shops and bakeries, you will be spoilt for choice. Later on in the evening we invite you to join us in the stunning Headland restaurant for a sumptuous evening welcome dinner bringing you an array of local produce and fish straight from the local fishing boats. If you catch any fish during your stay the head chef will be delighted to cook it for you to your taste! After your meal you are invited to make your way to the ballroom where your hosts Fredric and Vicki will be ready to kick off an evening of social dancing with all your favourite dances and tunes. If you have any special requests please ask us.

Don't forget to say hello to Nelson nestled on the waters edge, he's a local icon.

We invite you to join us mid-afternoon for a special social dance, with a traditional afternoon tea being served prior to your dance date. This will

be followed by some more relaxation time and a themed evening event, "DanceRite's latin party night"

Come and join us at this fabulous latin party and dance the night away under the stars (weather permitting). This evening will be accompanied by a sizzling latin bbq banquet alfresco style. We do have a plan B if the weather is against us!
